11th September 2020

Dear parent / carer

At Stanborough we feel it is important to understand the experiences students had over lock down, including any changes in family circumstances such as bereavement, so we can support students as they return to school. We would also like to find out what access students have to IT at home so we are aware of any gaps in the event we have to send a year group home due to pandemic control.

We would therefore like you to complete a short survey to help us understand your child's individual situation. The survey will only take a couple of minutes to complete and we ask that you complete an individual survey for each child at Stanborough. If you are new to the school it is still important you complete the survey. Please answer any questions about last year in relation to your previous school.

If you are unable to access the survey please email the school on admin@stanborough.herts.sch.uk so we can support you.

Please access the survey using this link, <https://forms.gle/wF1ob54uP5ZdyEjT8>

If you have any concerns that you would like to discuss in person, please contact your child's year leader.

Thanks in advance for taking the time to complete this survey.

Yours faithfully,

Mrs E Daplyn
Assistant Headteacher
