11th September 2020

Dear Parent / Carer

In light of the current events and our desire to ensure the safety of your child, we have reviewed the arrangements pertaining to when students are required to be on site.

Currently, Year 13 are permitted home study for their free blocks and we are temporarily extending that to all Year 12 students as well. Should any Post 16 student wish to work at home when they do not have a lesson that is permissible but should they wish to still work in school at those times, we will have the facilities to accommodate them.

In addition, the sessions on both a Wednesday afternoon and Friday morning are being revised. If a student has chosen an accredited course during their enrichment time (Further Maths, Core Maths, Finance, HSLA/CSLA or EPQ) they will be expected to attend for those lessons. If their choice was additional private study or Core PE on Wednesday Period 5 and/or Friday Periods 1-3, they are temporarily permitted to study at home at those times should they wish. We have added the session times for each Enrichment session so that you are clear on when your son/daughter would be expected in school.

With regard to tutor sessions, tutors will be available from 8.40 -9.00, but students do not have to attend those sessions unless they wish.

Please do not hesitate to contact either of us, should you have any questions pertaining to these new arrangements.

Yours faithfully

Mrs Z Armitage
Deputy Head 14-19

Mr W Maidment
Post 16 Leader
