## STUDENT SHOUT-OUT!

It is not just our year 11s who are creating amazing samples.

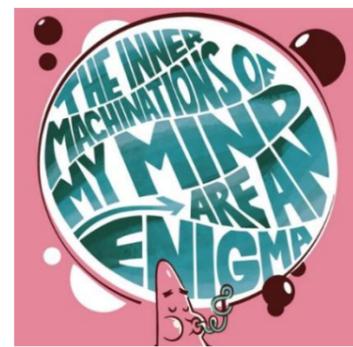

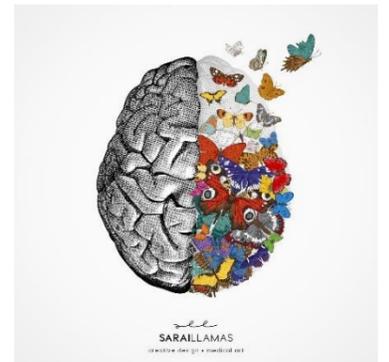

This month year 10's have been responding to individual artists and creating their own developed pieces. Well done to Kenzie, Grace, and Summer in Ms Saalinki Art class.

Miss Carter was also surprised by Willow in yr 7 who showed her a fantastic lockdown drawing at the end of the lesson!

## MIND, BODY, AND SOUL.

Artists and designers from around the world have been making art in celebration of world mental health day (Saturday, 10 October). Work varies from creating comics, to typographic art, paintings, and sculptures. The Stanborough Art Department would like you to have your own try at making "Positive mental health art"

Share your creations with the hashtags #WorldMentalHealthDay and @StanboroughADT or show your teacher at the end of your lesson!

## WANTED!

Calling all magazine and newspaper readers! Please give us your old unwanted magazines and newspapers.

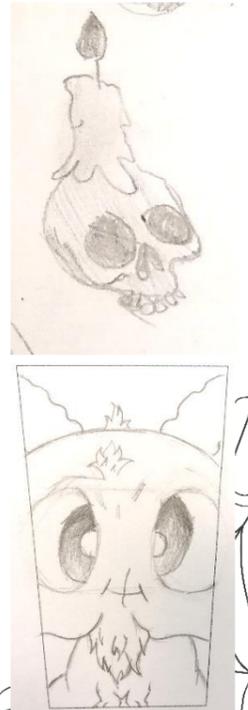

We use them across the department every day and are a great for: collage, portrait references, and keeping the tables clean. The students use them at such a rate that we're running low so please donate! You can drop off your donations before the start of school or at the end of the day in A5.

## IMPRESSIVE ILLUSTRATORS

Year 7 art graphics have been honing their illustration skills. Using Chris Ryniak's work as inspiration to design a pop corn box!

Well done to all the hard working year 7s producing some fantastic work this term! Your focus and attention to detail is paying off. We're all looking forward to seeing what you produce in the coming term!
