Celebrating Black Voices

Year 9 art have been taking part in an exhibition at Mill Green Museum in celebration of black history month.

These series of portraits are in response to the theme “Unknown stories”

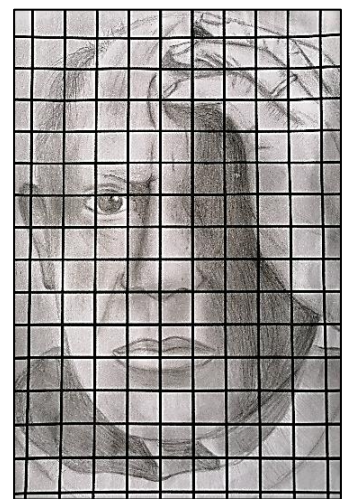

The tonal paintings are overlaid with inspirational text and quotations to celebrate each person’s back story and successful achievements.

Welcome Back Yr.8!

We would like to say “well done!” to all our year 8 students.

Coming back after being in lockdown was challenging. The determination and patience you are showing with your art work is outstanding and it’s a pleasure to have you back. Keep up the good work everyone!
