Mathematics & Computing Academy

Headteacher: Mrs M John

Dear Parents/Carers,

January 5th 2021

The Prime Minister announced yesterday that a new national lockdown will come into force immediately. During the period of national lockdown, schools will remain open to vulnerable children and the children of critical workers only. Public vocational exams and assessments scheduled to take place in January will go ahead as planned. All other children and students will learn remotely until February half term at the earliest.

In terms of Year 11 and 13 exams, The Secretary of State for Education will be asking Ofqual to consult rapidly on an approach for alternative arrangements that will allow students to progress fairly. We anticipate confirmation of what is happening soon and we will communicate this with you once we are informed. There will certainly be some form of assessment in place for our examination students so it is extremely important that they continue to work hard in the months ahead. Exam students are our priority and will receive significant support in the coming months.

For now, all students will receive the best education we can deliver through the Remote Learning Curriculum. If you have any questions then please do email the school on admin@stanborough.herts.sch.uk

Thank you for your ongoing support.

Yours faithfully,

Mrs M John

Headteacher
