Course Allocation

The consortium intends to deliver the courses offered in the blocking form. If student uptake numbers are very low for a class then the course may not run. During this academic year there may be a need to change the subjects offered in the blocks. Students will be informed of any course closures or block changes that affect their choices. Under normal circumstances all students are expected to choose classes at their home site wherever this fits with their other choices.

Progression to Year 13

It is important for all students to be on the correct courses that can give them the best possible outcomes. Students starting Advanced Level subjects in September 2021 are expected to achieve at least a D grade in two subjects to progress to their second year. These grades will be determined through internally set end of Year 12 exams.

If this standard is not met there will be a review of, and possible amendment to, that student's course provision. As part of the review, the student's attitude to work and their attendance will be considered. Attendance at a student's home site's programme of activities on Wednesday afternoons and/or Friday mornings is compulsory and this will also be taken into consideration when reviewing progression. Any changes made to course provision will be in the best interests of the student's potential achievement; full support will be given should there be a need for a change of course or institution.

Changes in staffing or student numbers can occasionally necessitate amendments to a student's timetable. This can lead to a student needing to move blocks or teaching sites, or to groups being combined. We will always aim to keep any disruption to teaching and learning to a minimum in these circumstances.
