

Stanborough

Mathematics & Computing Academy

Headteacher: Mrs M John

18 January 2021

Dear Year 8 parent(s)/carer(s) and students

Re: Options choices

As you will be aware, Stanborough School students begin their Key Stage 4 courses in Year 9 as a way of accelerating learning and raising achievement. Due to the current national restrictions, there will not be an Options Evening this year and therefore introductory and subject videos are available to you to watch on the Stanborough School YouTube channel. These videos detail all that you need to know about your child's options from September 2021 and can be found here:

https://youtube.com/playlist?list=PLEbX97oHJJVetjIJMYK_UNrcEDkJsQWxa

In addition to the videos, attached is a copy of the Options booklet which has information about each course offered.

If you have any questions about any of the courses, please do contact the staff shown in the booklet, for any other query please do contact myself.

Yours sincerely

Mr A Green
Assistant Headteacher
