

## Research your future!

At Stanborough, we think it's important to educate you about your career choices. After your GCSE's and A-level's, you get the chance to earn money! First jobs are always difficult but after you have some experience under your belt your job choices start to expand into what you really want to do! University and Apprenticeships are a great route into the jobs market. They provide valuable training and help you meet like-minded creatives. Have a look at the diagram below to see how much the UK benefits from creative jobs! Watch out for the national career's virtual fair link!

Did you know...  
The longest relay reading marathon (single venue) is 457 hr 59 min 40 sec, and was achieved by Stadt Recklinghausen (Germany) at Stadtbibliothek Recklinghausen in Recklinghausen, Germany, from 15 October to 3 November 2019

## NOTES FOR YOUR DIARY

### Need a laptop?

If you are without technology to help you learn while you are at home, please contact your head of year to enquire about a free school laptop.

### Weds 10<sup>th</sup> March.

- AM Textiles and Graphics exam
- PM Art and Food Prep + Nutrition (FPN)
- AM Art exam for FPN students

### Ms Saalinki's Yr. 9, 10, and 11 classes

- Please email work before your lesson to [hsaalinki@stanborough.herts.sch.uk](mailto:hsaalinki@stanborough.herts.sch.uk)

# STUDENT SHOUT OUT

**AMAZING**

## KS4 Galore!

GCSE students have had a hard time this lockdown. Months of not quite knowing what will happen to their grades while trying to work as normal. Working from home is never easy no matter what your environment but a special well done to the year 9, 10, and 11 students who have been continuing to submit high quality work! A big well done also goes to Grace, Kendy, and Kyri in year 10 who have been working so hard this term to create the drawings you see above!

The works include a mixture of pencils and pencil colours, blending, biro, and hatching.

If you have a question for our GCSE student or you are applying for GCSE Art and want to know more, then please send questions to your Art teacher!

## Dough-licious!

This week has seen the start of Ks3 experimenting with salt dough. During the lesson or after school, year 7 and 8 have been tasked to find and use textures from around their home or on a walk. Salt dough is a fun and cheap material that is great for sensory play! Sometimes, this medium is even used for Christmas-tree decorations. Baking in a low oven until crisp means the decorations can survive a few knocks but be careful! The dough is still brittle and will break if dropped from a height!

Keep sending your pictures of your tiles and clean kitchens to Miss Carter for class charts points. If you are not in Miss Carter's class but still want to have a go then please send her an email - [Hcarter@stanborough.herts.sch.uk](mailto:Hcarter@stanborough.herts.sch.uk)

## Art in the news:

The mysterious artist Banksy as struck again! Famed for his spray paint and stencils, the Bristol artist has painted the wall of Reading Prison.

Reading Prison famously housed Oscar Wilde in the mid 1890's. The building has been derelict (empty) since 2013 and a deal to sell the Grade 2 listed building fell through last month.

In 2016 the former jail was used as base for the Year of Culture Arts Program. Many actors have backed the idea to keep the building within the arts sector. Banksy is thought to be one of these supporters. He is known for his artistic social commentary. See how he did it here: [https://youtu.be/i-Mbhh\\_40JY](https://youtu.be/i-Mbhh_40JY)

# SWITCH OFF ZONE!

Inspired by Screen Free Day, I have made you free puzzles to complete away from your screen! Enjoy these puzzles and check back next issue for the answers.

### Across

- 3. A paint medium that needs liquid to activate the pigment.
- 4. analogous colours are what on the colour wheel?
- 6. the code used to define how hard and black a pencil is
- 8. combining papers and other medium to create art
- 10. An artist famed for seeing music and hearing colours
- 11. A street artist famed for his spray paint and stencils

### Down

- 1. The element of touch and feeling
- 2. the lightness and darkness of a colour, adds realism
- 5. using a needle and thread to decorate a surface
- 7. The name for a pure colour
- 9. A piece of art that doesn't look like anything

CAN YOU DRAW THIS?

Here is a little puzzle which may fool older heads than yours. The idea is to draw the figure without taking your pencil off the paper and without retracing or crossing a line. There is a trick to it, but it can be done.

The trick in drawing the figure is to fold the paper once and draw a straight line between the folded halves; then, not removing your pencil, unfold the paper. You will find that you have drawn two straight lines with one stroke. The rest is simple.
