

Stanborough

Mathematics & Computing Academy

Headteacher: Mrs M John

2nd March 2021

Dear Parent/Carer

Remote Welcome Evening event – Tuesday 9th March 2021

As the Headteacher, may I be the first to offer my congratulations on being allocated a place at Stanborough School. I hope that your child will be happy and successful in the next phase of education and will give fully to the new school. We look forward to the contribution that your child will make to this school community.

We have high standards and expectations to support all our students to develop their full potential in both their academic and personal life. Our four principles are high expectations, quality learning, mutual respect and success for all. These principles are important in every aspect of school life. We aim to create the right environment for everyone to flourish and be successful.

This is an exciting time for everyone and we are already looking forward to the impact our new students will make on the school. I know that it can also be an extremely stressful and daunting time for new students as secondary school is a big step up from primary school. However, our Transitional Programme has been well designed to ensure that your child has a smooth start to the next chapter of their school life.

We are a school that is well-established, consistent in our approach and we believe that our role is to nurture every child so that they grow in confidence and are given every opportunity to flourish.

To welcome our Year 6 students to the Stanborough School community, we would normally have had a welcome evening a week after the allocation date of March 1st and this had been penciled in for Tuesday 9th March. Unfortunately, due to Covid-19, this is not possible. We however feel that it is still important for our families to be able to hear the key messages.

On Tuesday 9th March at 3pm, I will send you a Welcome Evening PowerPoint. Miss Wrangles (Head of Year 7 2021 cohort) and I will outline the programme of support in the lead up to your child's start in September. This will also provide me with the opportunity to go through the future plans for the school.

Once you have watched the powerpoint presentation, there will be an opportunity to email me directly on Head@stanborough.herts.sch.uk with any questions you might have. There is also a comprehensive welcome pack available to you that offers all the key information that you need. Please click on the following link:

<https://stanborough.herts.sch.uk/about-us/year-6-transition/>

You will also receive an email shortly with a link and login details to complete our registration forms online.
