Dear Parent/Carer

**RE: UPDATE ON FACE COVERINGS FROM MONDAY 17<sup>TH</sup> MAY**

As you will be aware, earlier this week the Prime Minister announced the move to Step 3 of the roadmap which will take effect from Monday 17<sup>th</sup> May. As part of this, face coverings for students will no longer be recommended in classrooms or communal areas within school. Face coverings will also no longer be recommended for staff in classrooms.

It is recommended that face coverings should be worn by staff and visitors in situations outside of classrooms where social distancing is not possible (for example, when moving around in corridors and communal areas).

The reintroduction of face coverings for students or staff may be advised for a temporary period in response to particular localised outbreaks, including variants of concern.

I would like to once again thank all our students and parents for their ongoing support.

Yours faithfully

Mrs John  
Headteacher
