STUDENT SHOUT OUT!

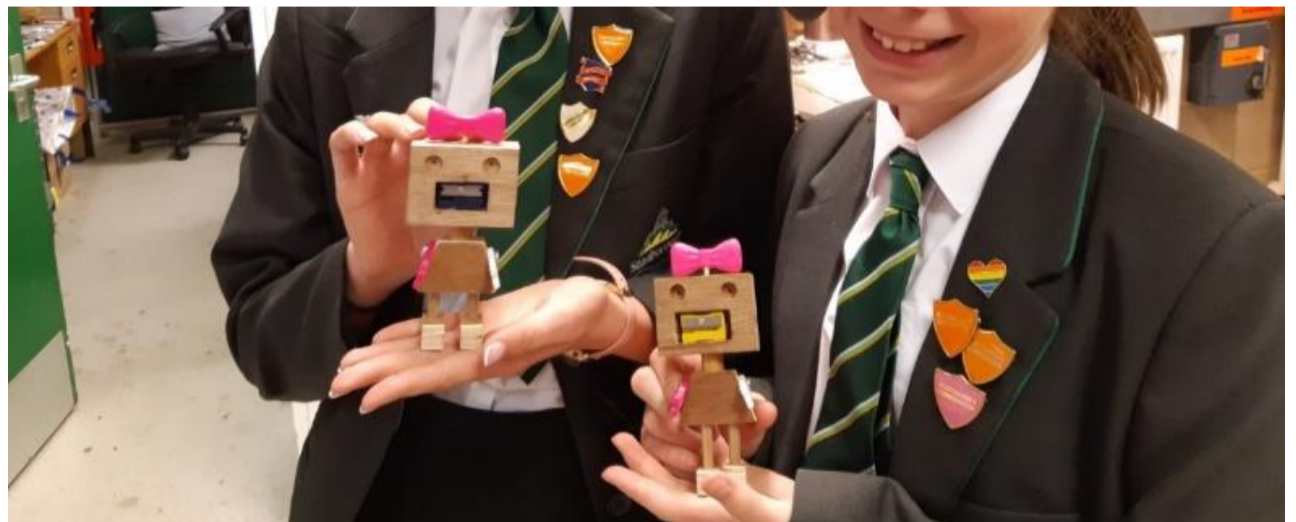

Yr 8 Artist bedrooms

Well done to all year 8. This year's shoe box homework was such a treat to see and mark. I love this homework because I love small details!

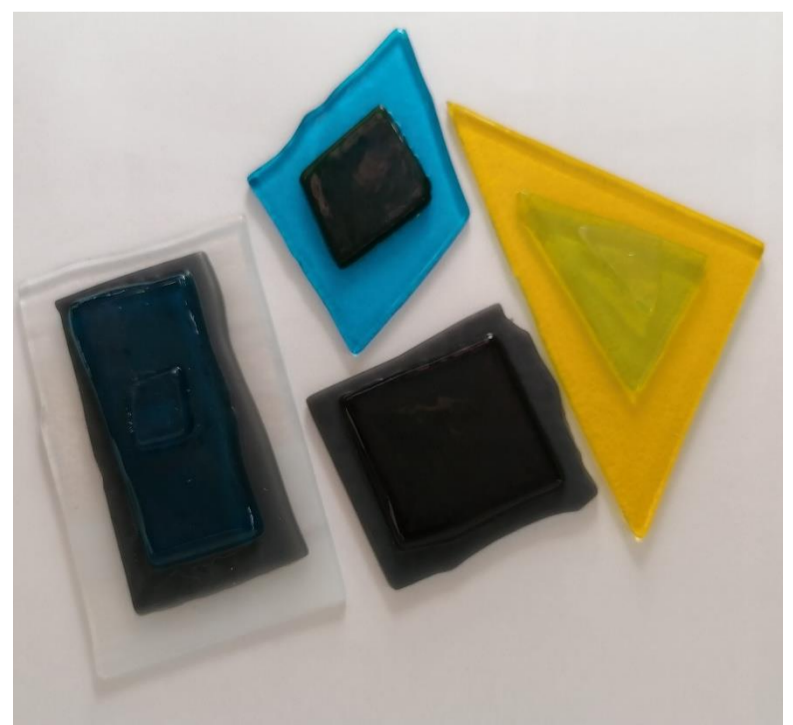

Pencil sharpener crafts!

Mr Beevor and his helpers have been busy. Working away on the workshop like little elves at Christmas getting ready to show you Mr Beevor's new afterschool activity! Have you signed up this term?

Material exploration

Imani in yr. 13 has been trying to melt glass this week! She has used the kiln to fuse layers of coloured glass together. Previously she has drawn pieces of jewellery and 3D printed some forms. Well done Imani, we can't wait to see what comes next!

The two-week event at the Venetian Waterways features outdoor art installations with water projections and flames.

Artistic director Joe Mackintosh said: "That's really what we're good at here in Yarmouth, high quality art that is really accessible and really good fun."
