

Stanborough

Mathematics & Computing Academy

Headteacher: Mrs M John

18th November 2021

Dear Parent/Carer,

RE: Elevate workshop for Y11 students - Thursday 6th January 2022

I am excited to inform you that the Year 11 pastoral team have organised for a study skills company, 'Elevate Education', to come and deliver a workshop for Year 11 students on Thursday 6th January 2022 at 15:15 – 16:30.

The aim is to help your child reflect on their recent mock exams, learn about the preparation leading up to their GCSE exams, and how to work effectively under exam conditions. Elevate Education have worked with over 1,500 schools and 350,000 students and have experienced high levels of success. The workshop is delivered by relatable and charismatic presenters. Students attending the workshop will be provided with a range of resources that will be useful to them.

The cost of the workshop is £7.00. **Payment and consent should be made via WisePay by Friday 10th December 2021.** If you need a reminder of your Wisepay login details please contact the finance office via email at finance@stanborough.herts.sch.uk.

Again, the cost of the event is £7.00. In some instances we may take special circumstances into consideration if we know about them at the time of application. Payment will be non-refundable once we have paid the relevant company, but will be rescheduled in the case of a lockdown. Any student, who is subject to disciplinary action between now and the date of the event, is at risk of forfeiting their place on the event without refund.

We hope that your child will find this event useful to assist them in their academic studies in this important year.

Yours faithfully,

Mr Sinclair
Year 11 Leader
