Dear Parent/Carer,

### **Year 11 Parent's Evening, Wednesday 2nd February 2022 - Online Appointment Booking**

Year 11 Parent's Evening will take place on Wednesday 2<sup>nd</sup> February 2022. I do hope that you can participate in the evening, as it is an ideal opportunity to discuss your child's progress with teachers at this crucial stage in their education.

**All appointments will take place via an online video call.** We will be using the online booking system for Parent's Evening. This can be found on our website under Useful Links and at: <https://stanborough.parenteveningsystem.co.uk>. A useful guide is attached for your reference.

The online booking system is very straight forward to use and can be accessed through PCs, tablets or smart phones. The system allows you to make appointments at a time that suits you. Once bookings have been made you will receive an email confirming your appointments. In addition to making appointments, you will be able to leave notes for the teacher regarding any specific issues you may wish to discuss.

Appointments can be made from noon today and will close on Tuesday 1<sup>st</sup> February. Should you wish to make any changes after this date, please contact the school office or email [parentevening@stanborough.herts.sch.uk](mailto:parentevening@stanborough.herts.sch.uk).

Members of staff can request appointments which will be confirmed by email. There may be only one teacher allocated to a class and it may be that your child is taught by more than one teacher. If you would like to see another teacher not listed, please ask your child to book directly with them.

With this letter is a guide to making and participating in the video call. If you have any queries regarding the system, logging in or requesting to see additional staff, you can email [parentevening@stanborough.herts.sch.uk](mailto:parentevening@stanborough.herts.sch.uk).

We look forward to working with you to ensure your child's progress.

Yours faithfully,

Mr Sinclair
