

Stanborough

Mathematics & Computing Academy

Headteacher: Mrs M John

11th February 2022

Dear Parent/Carer

Update on the Duke of Edinburgh Bronze award, your child should be completing their volunteering, physical and skills section and have an assessor that is not a family member in place for each. If they are having any problems with this please do contact me. Students are required to have logged evidence and to be almost complete on at least one section before the qualifying expedition in June. A reminder on dates, your child will need to be in school on Saturday 23rd April between 9am and 3pm for their compulsory training for their expedition. Students are also required to have majority of their kit and to bring this with them, they will also be provided with school kit on this day. Please see attached kit list to ensure that students have required kit, we do have some kit as indicated to loan to students should it be required.

Can I also please ask that you complete the attached survey to enable planning to happen effectively for the expedition. We have a significant number of students taking part and the expedition takes place in the Chilterns near Berkhamsted and Chesham. The expedition takes place on Friday 10th June and students will need to be at their start point at 8.30am and collected from their finish point on Saturday 11th June at approximately 4pm. We do have a minibus going from school but this has limited number of seats and therefore I need to know how many students will be able to make their own way to the start and collected on Saturday. If required we will ensure we have transport from school on Friday morning and returning to school on Saturday afternoon for all students that are unable to make their own way either via family members or sharing lifts with other students. Knowing this information is critical in finalising the budget and final payments. Therefore, can you please respond to this survey by Friday 25th February using the following link. <https://forms.gle/rU7JyWLvvRnit4tz8>

Any issues or concerns, please do not hesitate to contact me at djohnson@stanborough.herts.sch.uk

Yours faithfully

Ms D Johnson
