By increasing the depth and breadth of students' vocabulary knowledge, those **175,139** new words could potentially have a huge impact on your students' success.

Student Participation

372 students completed one or more Accelerated Reader quizzes.

Why is student participation important?

Student participation is critical, as AR can only track reading practice data—such as books read, words read, and engaged reading time—for participating students.

When students participate in Accelerated Reader, teachers can easily track their reading activities and help ensure students are getting the practice needed to strengthen their reading skills and build critical background knowledge.
