

Stanborough

Mathematics & Computing Academy

Headteacher: Mrs M John

13th June 2022

Dear Parents/Carers

As from today the wearing of blazers will be optional for students for the next six weeks. Uniform and equipment cards must be kept safely in pencil cases if students decide not to wear their blazer.

While the weather is hot students are also encouraged to wear short sleeved shirts. Please note that ties must still be worn and top buttons must also still be done up. May I remind parents and students that skirts must be worn to the knee.

Yours faithfully

Mrs Daplyn
Assistant Headteacher
