Art in the news

Pop art sculptor Claes Oldenburg dies at age 93.

Claes Oldenburg is a popular artist sculptor of the 20th century. His work has often been used in schools to inspire young artists.

He is known for his large-scale sculptures of everyday objects which has made him one of the leading artists of the Pop art movement. A movement that embraced the visual language of advertisements and consumerism.

Mindfulness Activity

Drawing nature

Go outside for a nature walk. This can be in your backyard, your neighbourhood, or the woods. Gather things from nature such as, leave, pebbles and sticks. Draw from observation focusing on the lines and contours of the shapes.

Archaeologists find 2500-year-old Tomb of Ancient Egyptian General near Giza

The tomb in Abusir once belonged to Waihibre-mery-Neith, who once led a group of foreign soldiers during a period when Egypt's empire was expanding. The Egyptian Ministry of Tourism & Antiquities said that the tomb dates to sometime between the 26th and 27th dynasties, putting it just before 500 B.C.E.
