

Stanborough

Mathematics & Computing Academy

Headteacher: Mrs M John

11th July 2022

Dear Parents/Carers

Re: Hot weather

As extreme hot weather is forecast over the next two weeks we are allowing students to remove their ties and have their top buttons undone, however we do expect shirts to be tucked in. Students will be allowed to wear a hat of school colours (black, white or green) if outside but hats must be removed when inside the building. Students are encouraged to use the canteen and hall during break and lunch time instead of being outside to avoid the heat in the middle of the day.

Students must bring their water bottles and ensure these are filled at break and lunch. Students will not be allowed out of class to fill their bottles during lesson time. Please note, they will be issued with a late mark if they are late to any class after break or lunch due to filling water bottles.

Thank you for your support in maintaining our high standards in the run up to the end of term.

Sports Day Tuesday 12th and Wednesday 13th July

The following adjustments have been made to sports day on Tuesday 12th July:

- Students will no longer take part in the athletics events
- Students will now only take part in their multi-sports events
- Year 7 will do these period 1 and period 2
- Year 9 will do these period 3 and period 4

When not taking part in the multi-sport events, students will be in normal lessons and will therefore need to bring books for these lessons.

Year 8 and 10 Sports day will go ahead as normal on Wednesday 13th July but we will keep a close eye on the weather forecast and any changes to this day will be communicated to you as soon as possible.

Students come to school in PE kit and do not need to change into uniform at any point during the day. There will be water and shade available for students. Please ensure your son/daughter has plenty of water, sun cream and a sun hat with them.

Yours faithfully

Mrs Daplyn
Assistant Headteacher
