

Class Charts

Information to parents regarding homework, rewards and any sanctions set for your child will be communicated to you via the Class Charts system. You will be provided with full login details and instructions on how to use the system which will be sent to you in September.

Full details of your child's homework will also be provided through this system. This will include details on what the homework is and how long it should take along with the due date. The system is fully tablet/smart phone compatible. By providing you with this information we hope you will be able to support your child to manage their homework.
