2nd March 2023

Dear Parent/Carer

Welcome Evening event – Tuesday 14th March 2023, 5.00pm – 5.45pm

As the Headteacher, may I be the first to offer my congratulations on your child being allocated a place at Stanborough School. It has been a privilege to lead Stanborough since September 2018. I hope that your child will be happy and successful in the next phase of education and will give fully to their new school. We look forward to the contribution that your child will make to this school community.

We have high standards and expectations to support all our students to develop their full potential in both their academic and personal life. Our four principles are high expectations, quality learning, mutual respect and success for all. These principles are important in every aspect of school life. We aim to create the right environment for everyone to flourish and be successful.

This is an exciting time for everyone and we are already looking forward to the impact our new students will make on the school. I know that it can also be an extremely stressful and daunting time for new students as secondary school is a big step up from primary school. However, our Transitional Programme has been well designed to ensure that your child has a smooth start to the next chapter of their school life.

We are a school that is well-established, consistent in our approach and we believe that our role is to nurture every child so that they grow in confidence and are given every opportunity to flourish.

To welcome you to the Stanborough School community, we are holding a welcome evening for parents/carers and this has been arranged for **Tuesday 14th March, 5pm**. The evening will end by 5.45pm.

Ms Johnson (Head of Year 7 2023 cohort) and I will outline the programme of support in the lead up to your child's start in September. This will also provide me with the opportunity to go through the key points essential to your child's start.

There is also a comprehensive welcome pack available to you that offers all the key information that you need. Please click on the following link: <https://stanborough.herts.sch.uk/about-us/year-6-transition/>
