

Stanborough

Mathematics & Computing Academy

Headteacher: Mrs M John

17<sup>th</sup> March 2023

Dear Parent/Carer

**Year 12 Talent Foundry Event – Skills for Life,**

**Friday 28<sup>th</sup> April 8.30 - 10 .00**

**Friday 12<sup>th</sup> May 8.30 - 10.00**

**Friday 26<sup>th</sup> May 8.30 -10.00**

**Friday 9<sup>th</sup> June 9.00 – 10.30**

I am delighted to share that on the above dates we will be welcoming Talent Foundry to Stanborough School to deliver four sessions to Year 12 students. These sessions aim to explore students' strengths and areas for development, and how best to communicate these when applying for jobs, university, or apprenticeships.

Students will have the opportunity to work with mentors from M&G plc, exploring a series of interactive activities to understand topics such as key employability skills needed in the workplace, how to create an effective CV and how to stand out at interview. Through the course of the programme, they will also develop softer skills such as communication, resilience, and teamwork.

On the first three dates students need to be at school by 8.20 for 8.30 start. Students should come straight to the canteen for registration.

We are looking forward to an enjoyable and productive sessions with Year 12.

If you have any queries please don't hesitate to contact me.

Yours faithfully

Miss Saalinki  
Deputy Post 16 Leader
