

Stanborough

Mathematics & Computing Academy

Headteacher: Mrs M John

25<sup>th</sup> September 2023

Dear Parent/Carer

I hope your child has settled well into Stanborough. It has been lovely to see them grow in confidence in such a short time and create new friendships.

I would like to strengthen the communication between home and school and one of the ways we will be able to communicate messages effectively to you is through Classcharts Announcements. Please log onto Classcharts and complete the short Google Form under announcements, so we know who is able to access it.

If you do not have your parent Classcharts log in code, (this was sent home during the first week), then please email your child's tutor (see email addresses below), who can send it again to you. Classcharts is a great way to see the positives your child is receiving, these become even more effective when you and your child can look at them together. It is also where you can see any negative points and then after half term, homework. If we have messages that need to go out quickly then we will do so on Classcharts Announcements.
