

Stanborough

Mathematics & Computing Academy

Headteacher: Mrs M John

15<sup>th</sup> September 2023

Dear Parent/Carer,

**Re: MathsWatchVLE Subscription**

MathsWatchVLE ([www.vle.mathswatch.co.uk](http://www.vle.mathswatch.co.uk)) is a valuable online resource which students in KS3 and KS4 at Stanborough School use for independent learning, revision and homework. This resource, which includes **clear and concise video clips covering every maths topic for KS3 and KS4, '1 minute maths' videos to allow for quick revision and practice exercises on every topic** is sold only to schools and colleges. We believe that this would continue to be a highly beneficial resource for all students, and we request you to make a one-off **£2 voluntary contribution** towards the subscription of MathsWatchVLE for the year 2023-2024.

Please make your voluntary contribution of £2.00 via Arbor, School Shop, which is now ready to accept contributions. We will not be accepting cash or cheque payments at present. If you require a copy of your Arbor login details, please email a request to [itsupport@stanborough.herts.sch.uk](mailto:itsupport@stanborough.herts.sch.uk)

Please note that the login details for MathsWatch will be as follows: for a year 7 student e.g. Jane Smith, the login will be 23jsmith@stanborough and the password will be maths2023 (for a year 8 student, the login will be 22jsmith@stanborough and the password will be maths2022, and so on).

I greatly appreciate your support in this matter. If there are any queries regarding this resource, please do not hesitate to contact me.

Yours faithfully,

Mr S Modi  
Curriculum Leader: Mathematics
