**Stanborough School** are committed to providing the best learning experience for our students, and preparing them for the wider world outside of school. We strongly believe that this means providing students with access to high quality and affordable technology.

We want to provide each and every student with their own personalised learning device which they can use at school and at home. We know that for parents, making an investment in technology isn't always possible. If the technology is available at home, it may not be suitable to bring it into school, in case of issues with security and compatibility.

In order to provide seamless access to technology, we have partnered with Freedom Tech to launch the Tech 4 Learners 1:1 device programme.

## About Tech 4 Learners

Tech 4 Learners is a 1:1 parental contribution programme for schools run by financial solutions provider and educational specialists Freedom Tech, enabling us to give our students access to technology that will greatly enhance their learning experience.

Freedom Tech have a strong background in education and partner with leading manufacturers and resellers in education technology. They are financially stable and wholly owned by CSI Leasing, one of the world's largest leasing companies with over \$1.6 billion in assets.

## Climate Action

For every laptop Freedom Tech will plant 5 Trees in partnership with Ecologi.

## How it works

Parents will make fixed monthly payments to access the technology. There is also an option to pay in full if this is preferred.

For parents and students, Tech 4 Learners offers:

- The latest technology for Students : a personalised learning device they can use at school and at home
- Enhanced learning outcomes through consistent access to technology and powerful learning resources
- Fully covered technology - each device is protected with FreedomTech advanced repair service, for the duration of the programme
- The ability to pay for the latest technology in manageable monthly payments
- No personal credit checks - get up and running and contributing
- The device is yours at the end of programme at no extra cost

## Device

### Lenovo 500w Gen 3

The 11.6" Lenovo 500w Gen 3 2-in-1 laptop is built for the future of education with features that make it ideal for learning. The 360-degree hinge enables comfortable and convenient modes - especially while using the touchscreen with Pencil Touch technology. Of course it's built to the rugged durability requirements you expect from Lenovo and features the latest technology to ensure connectivity.

## How technology helps students learn

Having their own learning device helps students of our school get seamless access to lesson resources which are designed to make the most of technology. Being competent with technology is becoming increasingly important in the wider world and we want to ensure students are as prepared as possible for a digital society. There have been numerous studies that suggest more positive outcomes for students when they are given frequent and consistent access to technology.

**Ordering deadline:**

**10th November 2023**

**First direct debit payment taken:**

**25th November 2023**

**Devices distributed to students:**

**by the School in Mid December 2023**

## FAQs

### How long can I spread the payments over?

8, 20 and 32 Months options.  
depending on how long your child  
has left at the school.

We also offer a up front payment  
option.

### Will there be any credit checks?

No everyone is approved and there  
aren't any credit checks.

### How do I log a repair?

Parent/Carer logs the repair claim at  
<https://freedomtech.co.uk/help>

Complete the requested webform and  
detail the claim in the description  
area.

Once the claim has been submitted the  
parent will receive an automated  
email response containing a unique  
FTCS\_XXXX reference number.

Parent /Carer will then be contacted by  
the repair centre to organise the  
collection of the device. Contact made  
within estimated 4 hours (Monday to  
Friday)

Parent/Carer can then take the FTCS\_XXXX  
number to the school as proof that a  
ticket has been logged – school at this  
point can issue a loan device, keeping  
track of who has what device.

The student device will be collected from  
the parent by a courier in a secure box  
on the arranged date.

Once received at the repair centre the  
parent will be emailed with a repair  
tracking ref number to keep track on  
the progress of the claim / repair.

Once repaired the device will be delivered  
back to the collection address, unless  
otherwise specified by the claimant.

The parent/Carer must return the loan  
device to the school once they receive  
their original device back.

### How many devices can I order?

One per student at the school.

### Can they use the device at home?

Yes the student can use the device  
to further enhance their learning  
and we recommend that you set  
your security setting on your Wi-Fi  
accordingly.

### When will I receive the device?

Devices are planned to be shipped to  
the school for distribution by the  
school to parents and students for  
mid December 2023.

### What happens if I can no longer afford the device?

You will have to return the device,  
you will not own the device until  
the final payment is made.

### What if my child leaves the school?

You will have to pay the  
outstanding balance, in some  
circumstances we may be happy  
for it to be returned to the school  
with no further payments to be  
made. Please contact us at the  
school to discuss.

### What happens at the end of the agreement?

On your final payment the device  
becomes yours.

Device specification available on  
the ordering portal
