

Stanborough

Mathematics & Computing Academy

Headteacher: Mrs M John

30th November 2023

Dear Parent/Carer,

Re: AQA MFL (French OR Spanish) Revision Materials

Following on from our last letter concerning the purchase of French/Spanish revision materials for your son/daughter, we are offering parents a SECOND opportunity to purchase these if you have not already done so.

We would like to recommend the following set of revision materials to purchase as a revision tool at home:

AQA Revision Bundles (includes a Revision Guide, Exam Practice Workbook and Vocab Question Cards)

The school has been able to secure over 50% discount to the RRP and we will be able to offer the revision materials at the price of £9.50.

If you wish to order this book through the school, **payment should be made by Friday 15th December 2023**, after which we will place an order with our supplier and issue the books to the relevant students. Payment should be made via Arbor, School Shop. If you require a copy of your Arbor login details, please email a request to itsupport@stanborough.herts.sch.uk. Please note that payments will not be accepted after the deadline date.

Should you have any queries, please do not hesitate to contact me at lparr@stanborough.herts.sch.uk.

Yours faithfully,

Mrs L. Parr
