

Stanborough

Mathematics & Computing Academy

Headteacher: Mrs M John

13th November 2023

Dear Parents/Carers

Re. Rock and Pop 2023 - Thursday 23rd November 2023

Please join us for what promises to be an exciting evening of musical performances from a wide range of Stanborough students. Our wonderful musicians have been working hard to prepare a range of fantastic pieces and we look forward to sharing these with you.

The evening will begin at 5:30pm and costs £5 adults and £3 concessions.

Tickets will be available to purchase until **lunchtime** on **the day** via the School Shop in the Arbor app or <https://login.arbor.sc/> alternatively you can pay cash on the door. Please note, should we exceed maximum capacities in the hall, tickets purchased via Arbor will take priority.

There will be an opportunity to buy snacks and soft drinks on the night, proceeds will be fed back into the Music department.

If you require a copy of your Arbor login details please email a request to itsupport@stanborough.herts.sch.uk.

Yours faithfully

Miss I Naylor
