

Stanborough

Mathematics & Computing Academy

Headteacher: Mrs M John

19th December 2023

Dear parent/carer

I have booked for Year 12 Stanborough students to visit the University of Hertfordshire on 18th January 2024 for a Wayfinder Day. This is a full day event, which means there will be no Year 12 lessons that day.

The Year 12 Wayfinder Day aims to provide information, advice and guidance on higher education. The event will incorporate a session that students in Year 12 might need in preparation for the year ahead. This includes an **introduction to UCAS applications and choosing a course**, a session all about **student finance and budgeting**, and a **student subjects Q&A** which aims to answer any questions your child may have about university. This will be a useful day for all our Year 12 students, irrespective of their plans at Post 18.

There is no cost for the trip but the students must bring with them a packed lunch or money for refreshments.

Yours faithfully,

Mrs Armitage
Deputy Headteacher
