

January 2024

Dear Parents/Carers and Students,

Herts for Learning Revision Workshops 2024

Herts for Learning are running invaluable support for those sitting GCSEs in summer 2024. Workshops are available in English Literature, Maths and Science. All sessions are led by experienced specialists, designed to motivate, and at an affordable cost. Plus, recordings of each session will be available for revision at your own pace.

Full details and booking links are below.

English Literature: Sessions start 10th February, cost £20 per session, duration 2 hours. The AQA GCSE English Literature remote revision masterclasses are back for the third year, and they're only £20! Led by experienced subject specialists, these online sessions focus on exam readiness, proven strategies, model answers, and live Q&A!

- Providing students with tried and tested exam strategies and revision techniques
- Sharing high quality responses and model answers to support their learning
- Directly responding to any text/exam related questions that students may have

<https://hfl.mobi/AQAGCSE24>

Maths: Sessions start 2nd March, cost £6 per session, duration 50 minutes.

A small investment for a big leap in learning! To support students with 2024 Maths GCSE preparation, Maths advisers have designed engaging workshops filled with focused revision activities and exam-style questions, aimed at improving understanding and confidence for exam success.

- Choose from 24 topic-based workshops, tailored for both Foundation and Higher Tiers.
- Benefit from interactive 50-minute sessions, focused on key concepts.
- Enhance learning with our specialised revision workbooks (available at extra cost)

<https://hfl.mobi/GCSEMaths>

Science: Sessions start 2nd April, cost £10 per session, duration 60 minutes. Prepare for AQA GCSE Foundation Tier Science success with these workshops which are specially designed to support Foundation Tier students aiming for Grade 4/5, focusing on building exam readiness, proven strategies, top-quality responses, and essential revision activities.

- The sessions are designed to support Foundation Tier students aiming to gain Grade 4/5
- Providing students with tried and tested exam strategies and revision techniques
- Sharing high quality responses and model answers to support their own learning

2024 AQA GCSE ENGLISH LITERATURE REMOTE REVISION MASTERCLASSES.

SUPPORT YOUR CHILD'S REVISION WITH OUR SUBJECT EXPERTS

Designed to motivate and challenge students in an engaging and focused learning environment, our remote revision masterclasses will help boost students' skills and confidence.

These popular remote Saturday revision sessions return for the third year.

Our online masterclasses are led by highly experienced subject specialists and will focus on:

- supporting your child to feel 'exam ready'
- providing students with tried and tested exam strategies and revision techniques
- sharing high quality responses and model answers to support their learning
- directly responding to any text/exam related questions that students may have.

Each session lasts two hours and students will be able to interact with the subject teachers delivering the session. A time-limited recording of each session will also be made available in the week following

the session. If your child/student is unable to attend the session(s) in person, please book using the links below to have access to the recording and resources used in the session.

To find out more and to book places on sessions, please click on the courses below or visit the [HFL Education Hub](#) for more information. Places may be booked directly by parents/carers or by schools on their students' behalf.

Once places have been booked, students will need their school e-mail address to access the sessions.

£20
per student
(including VAT)
Price remains the same as 2022

2024 GCSE MATHEMATICS REMOTE REVISION WORKSHOPS FOR STUDENTS.

Following the success of last year's programme, our secondary Maths advisers will be leading 24 topic-based online workshops during February and March: 12 for Foundation Tier and 12 for Higher Tier.

The Foundation Tier workshops will be aimed at those students aiming to gain Grades 4 and 5. The Higher Tier workshops will be for those aiming for Grades 6 and 7, although students aiming for higher grades may find them useful to consolidate earlier learning.

Designed to motivate and challenge students in an engaging and active learning environment, our remote workshops will provide students with the opportunity to take part in a number of focused revision activities, and to complete exam-style questions.

Each workshop will be 50 minutes long. Students may wish to attend two or three consecutively, with a short break in between each.

The popularity of these workshops in the past few years means we are able to offer each workshop at £6 (including VAT). We believe this represents excellent value for money.

Access to recordings of sessions

A time-limited recording of each session will also be made available in the week following the session. If your child/student is unable to attend the session(s) in person, please book using the links below to have access to the recording and resources used in the session.

To find out more and to book places, scan or click on the QR code.

Once places have been booked, students will need their school e-mail address to access the sessions.

AQA GCSE FOUNDATION TIER SCIENCE REMOTE REVISION SESSIONS – EASTER 2024.

These remote Foundation Tier sessions will be delivered by our experienced science advisers and are designed to motivate and challenge students in an engaging and active environment. The sessions are designed to support Foundation Tier students aiming to gain Grade 4/5.

The sessions will focus on:

- supporting your child to feel 'exam ready'
- providing students with tried and tested exam strategies and revision techniques
- sharing high quality responses and model answers to support their own learning
- reviewing associated Maths and Required Practical skills within relevant science content
- giving your child the opportunity to complete a range of revision activities during the session, addressing the skills needed

Each session will be 60 minutes in length and the students will be able to interact with the science advisers delivering the session. Students may wish to attend 2-3 sessions consecutively with a short break in between each one.

Access to recordings of sessions

If your child/student is unable to attend the session(s) in person, please book using the links below to have access to the recording and resources used in the session.

To book

To find out more and to book places, click on or scan the QR code. Or contact our Events Team with any queries at training@hfleducation.org or call 01438 544477.
