January 2024

Dear Parent/Carer

We would like to arrange a Parents' networking event to highlight positive strategies to support your child. With this we feel it is important to have extra time to share concerns and strategies you have found useful with teachers and parents.

The following link allows you to choose a preferential date. We will only be running the morning on one of the dates and it will be the date which is deemed most popular.

Please fill it in at your earliest convenience and should you have any questions please do not hesitate to contact me or a member of the Year 11 team.
