Grow and Succeed

High Expectations | Mutual Respect | Quality Learning | Success for All

Stanborough

New subjects to students:

Business

Child Development

Media Studies

Psychology

Grow and Succeed

High Expectations | Mutual Respect | Quality Learning | Success for All

Some initial advice...

Planning on college or university?

- There may be some subjects which help

Not yet decided on future study?

- Keep the options open
- Choose a broad range of subjects

Grow and Succeed

Students need to consider:

Themselves:

What subjects do I get satisfaction from?
What do I enjoy?
What is my preferred learning style?

Their PU data and teacher feedback to identify what they are successful at

Students need to consider:

Any entry requirements for further and higher education courses - *if you know what you want to study at that level*

Any requirements/qualifications needed for a specific job or work-based training

Students, where can you get help?

Family and friends. They will help you to identify what you are good at.

Talk to **subject teachers** about what you are good at and to help you to identify what subjects are suitable for you

Talk to your **tutor**

You will have an **individual interview** to discuss your choices

Talk to our **Careers Leader**, Mrs Stamp
