

Stanborough

Mathematics & Computing Academy

Headteacher: Mrs M John

26<sup>th</sup> January 2024

Dear Parent/Carer,

**Thorpe Park Trip – 27<sup>th</sup> March 2024**

In recognition of the hard work and effort students have been putting into their studies this year, we would like to run a trip to Thorpe Park to reward students who fulfil any of the below criteria:

1. On target or above in their current mocks across 7 out of 9 subjects
2. Increased by at least two grades on average across 7 out of 9 subjects from their November to January mock exams
3. Increased by at least one grade on average across 7 out of 9 subjects from their November to January mock exams
4. Have at least 96% attendance with an average ATL score of 3 or above

We are anticipating approximately 50 spaces for the trip prioritised in order of the criteria above however, we hope to run beyond this should the numbers of students fulfilling this criteria exceed it. The cost of the ticket will be £16 and students **will be invited by the 8<sup>th</sup> March** and letters will be sent out with further information.

If you have any questions, please contact myself or a member of the Year 11 pastoral team.

Yours faithfully

Mrs Eracleous-Rickard  
Year Leader: Year 11
