Dear Parent/Carer

**Re: LUCID Assessment**

LUCID Exact is a literacy screener which is used to assess and identify students for Access Arrangements in year 9. LUCID scores are standardised. This means that 100 is average and between 85-115 is within average range

Your child will be completing this during their accelerated reader lesson either in the week commencing 17<sup>th</sup> June or 24<sup>th</sup> June.

18<sup>th</sup> June – 9z1 Period 1

24<sup>th</sup> June – 9z2 Period 1

18<sup>th</sup> June – 9z3 Period 2

25<sup>th</sup> June – 9y1 Period 2

20<sup>th</sup> June – 9y2 Period 5

28<sup>th</sup> June – 9x2 Period 2

28<sup>th</sup> June – 9x1 Period 5

If your child is absent for this lesson we will be able to offer another date to complete this. In order to complete the tests your child will also need to bring to the lesson wired headphones, Bluetooth headphones are not compatible with the computers.

The Exact suite comprises standardised tests of the following areas of attainment:

- Word recognition
- Reading comprehension and reading speed
- Spelling
- Typing to dictation
- Handwriting to dictation

We will use the results from this screener, CATS scores and reading ages to determine whether your child will need to be further tested for access arrangements.

Yours sincerely

Mrs K Beverstock
