

10th July 2024

Dear parent/carer,

Year 11 Revision Resources for the GCSE in Mathematics

The Mathematics Team at Stanborough School would like to offer guidance and support for your child with their revision for the GCSE in Mathematics. Please note that the exam board that we follow for the GCSE in Mathematics at Stanborough School is **Edexcel**. Along with a variety of books and resources that you can purchase, there are lots of free online resources which you may also want to consider.

The table below will provide useful information in relation to revision resources:

<p>Revision Guides and Revision Workbooks</p> <p>Use the links below to purchase revision guides and revision workbooks:</p> <p>Higher GCSE Revision Guide</p> <p>Foundation GCSE Revision Guide</p> <p>Higher GCSE Workbook</p> <p>Foundation GCSE Workbook</p>	<p>Target Workbooks (e.g. Target 5 Workbook for Number and Algebra)</p>  <p>Target Grade 5 Edexcel GCSE (9-1) Mathematics Number and...</p> <p>These can be purchased from Amazon using the link below:</p> <p>Target Workbooks</p>	<p>Practice Papers (e.g. CGP)</p> <p>These can be purchased from high street shops like Waterstones and WH Smith.</p>
<p>www.vle.mathswatch.co.uk (subscription through school)</p> <p>MathsWatch is one of the most popular online resources. It contains concise, but detailed video clips on every topic. It also includes practice worksheets for every topic and teachers use these for setting topic based homework as well as practice papers.</p> <p>For a John Smith, the login details will be as below:</p> <p>login: 2020jsmith@stanborough password: maths2020</p>	<p>www.mymaths.co.uk (subscription through school)</p> <p>MyMaths contains interactive online tutorials, as well as short consolidation exercises.</p> <p>login: stanborough password: adding</p>	<p>Objective Checklist</p> <p>Attached to the email are objective lists for both Higher and Foundation GCSE. These have been produced by the Edexcel Exam board.</p>

- Grow and Succeed -

Maths Genie (free online resource)	Corbett Maths (free online resource)	Personalised RAG rated mock exam performance sheets
Video Tutorials on every topic Exam Style Questions on every topic Practice Papers	Video Tutorials on every topic Exam Style Questions on every topic Past Exam Papers	These will be provided to students after every assessment/mock exam by teachers. The topics/questions are referenced to MathsWatch video clips. Students must focus on topics highlighted in 'amber' and 'pink'.

Mock exam in year 11: Students will write **two Mathematics mock exams in year 11**. One of them will be in w.b. 18.11.2024 and the next one will be in w.b. 24.02.2025

Out-of-lesson support: We will also offer a **Period 6 lesson on Thursdays** for selected students and a **2 hour Saturday tutoring session**, which will also be for selected students.

If there are any questions regarding the GCSE in Mathematics at Stanborough School or in relation to revision, please do not hesitate to get in touch at smodi@stanborough.herts.sch.uk

Kind regards

Mr Modi
