Dear Parent/Carer

**Launch of Blended Learning at Stanborough School : 30<sup>th</sup> September – 2<sup>nd</sup> October 2024**

I am delighted to be able to inform you that we will be launching Blended Learning with our Year 7 cohort during the dates 30<sup>th</sup> September – 2<sup>nd</sup> October.

Devices ordered through Freedom Tech will be distributed to the students on those days. Devices will be numbered and named for the students. All those students who are bringing in their own devices from home should also bring them in on their allocated day and ensure that they are fully charged. All students should bring in headphones.

As of Monday 7<sup>th</sup> October 2024, all Year 7 students will be expected to come to school prepared with a fully charged device and headphones.

Between Monday 30<sup>th</sup> September and Wednesday 2<sup>nd</sup> October, all Year 7 students will be taken off timetable to have an introductory session on their device. During this time, we will support all students in setting up their devices ready for learning. This will include installing the Microsoft 365 suite of apps and setting up access to school email and other important platforms. **They must bring in their mobile phones this day to support with the set-up of their device.**

The timetable for the week is below, please ensure that if your child is bringing in their own device that they bring it in on the correct day.
