

Stanborough

Mathematics & Computing Academy

Headteacher: Mrs M John

24<sup>th</sup> October 2024

Dear Parents/Carers,

As we reach the end of a busy yet productive first half term, I want to take a moment to commend our students. From keeping up with the pace of Year 11 and managing added pressures to staying after school for intervention sessions, they should be proud of their efforts.

During the upcoming half-term break, it is important for your child to recharge in preparation for the mock exams, which will take place from 15<sup>th</sup> November to 3<sup>rd</sup> December. I have included the updated mock exam timetable on the following page, and attached the subject revision lists for your reference; your child should also have received this as a paper copy. Please encourage them to balance revision with breaks during this period.

- Saturday Tuition (if applicable): There will be no sessions during the half-term break, and the sessions will resume on Saturday, 9th November 2024.
- Period 6: These sessions will not take place as per the usual schedule during the mock exams between 18th - 29th November. However, students may be asked to stay behind the afternoon before an exam if needed by their teachers.
- Revision Society and Saturday Tuition will run as normal during the mock exam period.

Please let me know if you have any questions.

Best regards,

Mr Persand  
Assistant Headteacher
