

Stanborough

Mathematics & Computing Academy

Headteacher: Mrs M John

12<sup>th</sup> November 2024

Dear Parents/Carers,

We are approaching the conclusion of Cycle 1 interventions, which include Period 6, Revision Society, and Saturday Tuition. These sessions have aimed to support students in reinforcing their learning, developing key skills, and preparing thoroughly for their exams. The final sessions of Cycle 1 will take place on or before Friday, 15th November.

Cycle 2 of Period 6 and Revision Society sessions will commence during the week beginning 27th January 2025. A new timetable will be issued to students and shared with you closer to the start date.

Thank you for your ongoing support, and please do not hesitate to reach out if you have any questions.

Best regards,

Mr Persand  
Assistant Headteacher
