

Stanborough

Mathematics & Computing Academy

Headteacher: Mrs M John

March 2025

Dear Parent/Carer,

I would like to share with you important information about the Year 7 exams.

Exams will run from **19.5.2025 – 06.06.2025**, please see the attached timetable for each teaching group.

This is an ideal time for us to formally assess students on what they have studied in terms 1 and 2 and ensure support is provided to students in their transition to Year 8.

These exams will be taken in normal lessons under formal exam conditions. This is to provide the opportunity for students to become acquainted with the rules and expectations of public exams.

Students will be preparing for these exams in lesson, during tutor time but also during regular, independent study time at home. Students are encouraged to incorporate a revision timetable into the homework timetable.

In terms of revision materials, I suggest the following:

- Mathswatch for Maths
- Reading a range of books and newspaper articles for English
- BBC Bitesize website (<https://www.bbc.co.uk/bitesize/levels/z4kw2hv>) which has a range of subject information, tasks and revision quizzes to prepare students for the remaining subjects.

Please note that students will not be provided with specific topic revision lists. Students are tested on all the topics studied between September 2024 and April 2025. A copy of the curriculum map and learning journey for each subject, which list all topics studied and in which order, is available on our website: <https://stanborough.herts.sch.uk/subjects/>.

Results of these exams will be formally shared in the Progress Update 3 report at the end of the academic year, although teachers will share results with students prior to this in lessons, once all exams for a subject have been marked and moderated.

We recognise that the exam period can be worrying and stressful for students and your child's wellbeing is our main priority. Please contact your child's tutor or year team if you have any concerns.

I hope these exams will be a valuable experience for your child and I wish them every success.

Yours faithfully,

Mr G Persand
Assistant Headteacher
