

Stanborough

Mathematics & Computing Academy

Headteacher: Mrs M John

2nd March 2026

Dear Parents/Carers,

Re: Year 11 Prefect Applications

On Thursday 26th February 2026, Year 10 students attended the launch assembly for the Year 11 Prefect Programme. This marks the beginning of an exciting opportunity for students to demonstrate leadership and contribute positively to our school community.

The prefect role is a fantastic opportunity for students to:

- Demonstrate leadership
- Represent the student body at school events
- Arrange and lead charity events
- Support lower school students
- Lead clubs and wider school initiatives

Prefect positions are highly regarded and provide valuable experience that supports students' personal development, confidence and future applications, including college, sixth form and employment.

The application process is as follows:

- Thursday 26th February – Initial launch assembly
- Monday 2nd March – Tutors will revisit the criteria in form time and instruct tutees on how to apply
- Friday 13th March – Application deadline
- Week Commencing 16th March – Interviews will take place
- Ten students will be appointed

Students will be shortlisted based on:

- Excellent relationships with staff and students
- Excellent Attitude to Learning
- Quality of application
- Excellent attendance
- Strong Class Charts profile

Applications must be completed and submitted via the online form issued on Class Charts by Friday 13th March 2026.

We strongly encourage you to discuss this opportunity with your child and support them in reflecting carefully on whether this role is right for them. The application should be completed independently by students to ensure authenticity.

Should you have any questions, please do not hesitate to contact the school.

Yours faithfully,

Mr Sinclair
Year Leader: Year 10
