

Stanborough

Mathematics & Computing Academy

Headteacher: Mrs M John

28th April 2026

Dear Parent/Carer,

University of Hertfordshire Taster Day 4th June 2026

The Sixth Form Team is delighted to inform you that we are running a trip to the University of Hertfordshire. This is a fantastic opportunity for students to plan their future pathway and research what is on offer from the individual universities' staff and stalls as well as apprenticeship and employment opportunities. There are 102 lectures and talks running which students should have already signed up to.

At the event there will be:

- Taster lecturers and workshops
- Student support talks, from nailing the UCAS application and personal statements, to help understanding student finance and admissions
- Interactive Q&As with current students and staff about student life, degree apprenticeships, work placements and studying abroad
- Campus tours, guided by current students or the option to use a self-guided map
- Opportunity to visit on-campus accommodation to get a feel for what it would be like living at university.

Students must meet us at University of Hertfordshire College Lane reception where they sign in at 9am. Pupils will be dismissed at 2pm and make their own way back. We will have access to vouchers for Uno buses and there is a shuttle bus running from the station. Pupils can also park in the university car park for a £2 fee. There will be no Year 12 lessons at Stanborough, Monkswalk or Bishops on 4th June. Please sign for permission on Arbor – this is on Arbor under 'trips.'

We hope you are excited about this wonderful opportunity!

Yours faithfully

Mrs Armitage
Deputy Headteacher
