

Stanborough

Mathematics & Computing Academy

Headteacher: Mrs M John

30th April 2026

Dear parents and carers

We are writing to advise you regarding the Year 11 Final Assembly, a special event that marks the end of an important chapter in your child's school journey.

The assembly will take place on Wednesday 17th June and the arrangements are as follows:

- Students arrive from 9am via the Site Team entrance for a 9.15am start. Students who arrive after 9.15am will miss it as the doors will then be locked and they will not be permitted through the main reception. So be on time!
- The event will be a formal assembly in the main hall, followed by time to sign shirts and say goodbye to other students and staff in the dining room.
- Students will be dismissed by 10.45am, via the Site Team exit.
- Students should attend in smart / business dress. Students can wear their school uniform, if they prefer. Students in casual wear (jeans/tracksuit bottoms/hoodies etc will not be allowed to attend)
- Students are also encouraged to bring in any uniform, revision books or set texts that they no longer need which can be donated to students lower down the school. All donations are greatly appreciated.
- Students should be aware that if they wish to say goodbye to specific members of staff, they should do so before the assembly day. They will not be allowed to walk around the school during this morning.

If you have any further questions, please do not hesitate to contact the pastoral team.

We look forward to celebrating the hard work and success of our Year 11 students from their time at Stanborough.

Warm regards,

Miss Wrangles
