Arrangements for public examinations

Students have been briefed as follows:

- Students arrive in full 6th form uniform every day.
- Students are required to line up outside their examination room 10 minutes before the start of the exam. Bags can be left in the 6th Form Centre, but we would encourage students to bring as little as possible into school.
- Good nutrition and being well hydrated is proven to improve performance in exams. It is therefore important that students have a healthy breakfast each morning and bring a bottle of water to each exam. Bottles must be transparent with no labels or colouring.
- It is vital that students attend all their exams as specified on their personalised exam timetable. Any

missed exams cannot be taken at a later date.

- If any student is suffering from a medical condition that may affect performance, the exams officer should be notified at once and a medical note provided. (exams@stanborough.herts.sch.uk)
- If any student is experiencing a major event in their life during the exam period that may affect performance, please inform the exams office immediately.
- Late entry to exams is at the discretion of the invigilator. Please note that students who are late by more than 60 minutes are no longer allowed entry into the exam room. Any lateness must also be reported to the exam board who will decide whether the student's exam paper can be accepted.

A Level Results day – Thursday, 13th August 2026

The results of the examinations will be available from school on **Thursday, 13th August between 8am and 9.30am**. If your child is unable to attend in person on results day then they must email the school (exams@stanborough.herts.sch.uk) authorising a named adult to collect the results on their behalf. Any person collecting results on students' behalf must have some form of photo identification.

I would like to take this opportunity to thank you for your continued support and wish all students the best of luck in their exams.

Yours faithfully

Mrs Armitage
Deputy Headteacher
