

Message from the Headteacher – Mrs John

It has been a productive and rewarding last week of this half-term, with plenty of wonderful achievements to recognise. This week our Year 10 students took part in their Work Experience placements, gaining valuable insight into the world of work and developing important skills for the future. We are proud of the way they represented Stanborough, and how they made important connections in the wider community. A group of our students competed in the County League Athletics Competition at Ridlins Athletics Track in Stevenage, showing excellent teamwork, determination, and sportsmanship throughout the event. We hope everyone enjoys a restful and enjoyable half-term break, with time to relax and recharge. We look forward to welcoming all students back to school on Monday 1st June, ready for another positive and productive half-term ahead.

Attendance Watch

Whilst we fully understand that students may occasionally fall ill, medical advice is clear that children with mild illnesses, such as a cough, cold, or mild headache are often still well enough to attend school. Every school day counts, and missing lessons can have a significant impact on learning and progress.

As a parent/carers, your support plays a crucial role in helping to improve attendance. We appreciate your efforts in ensuring that our students attend school regularly.

Every school day counts — good attendance supports learning, confidence, and friendships.

A reminder that students who meet the below attendance criteria, will be given an award at the end of term:

Bronze Award – Awarded to students with 100% attendance during the Autumn Term.

Silver Award – Awarded to students with 100% attendance during the Autumn and Spring Terms.

Gold Award – Awarded to students with 100% attendance throughout the full academic year.

Business Studies

Our Year 12 A-Level Business students recently took part in an exciting and interactive LEGO workshop delivered by the University of Hertfordshire.

Students worked in teams to develop and build their own business ideas using LEGO, while also considering key business factors such as costs, pricing, marketing, and profitability. The competitive challenge of generating the highest profit added an extra level of excitement and engagement throughout the session. A huge thank you to Angie Pieteron and Anouska Plaut for leading such an enjoyable and inspiring workshop.

Student Success

A big well done to Buddy (7HM) for being awarded the U12's coaches' player at the end of season presentation day at Welwyn R.F.C. Fantastic achievement!

Congratulations to Bradley (8KL) who along with his mum and eldest sister participated in a mud run for Cancer Research at the weekend. They have so far raised £332 plus gift aid. They had a very muddy, fun and proud day. Amazing effort!

Congratulations to Spoorthi in 7BM and Keerthi in 7SE for passing their Grade 3 Musical Theatre exam with Merit. They have been working hard on their Dance, Drama and Music for the past 1.5 years. Well done both!

Well done to Samantha (8HM) & Grace (8SE) who recently took part in an Under 13's Hertfordshire Netball tournament in which they came out the overall winners. Excellent achievement!

Hugo (7SE) took part in the Welwyn Hatfield Cancer Research 5K run. He was the first child over the finish line and raised lots of money for charity. Well done Hugo!

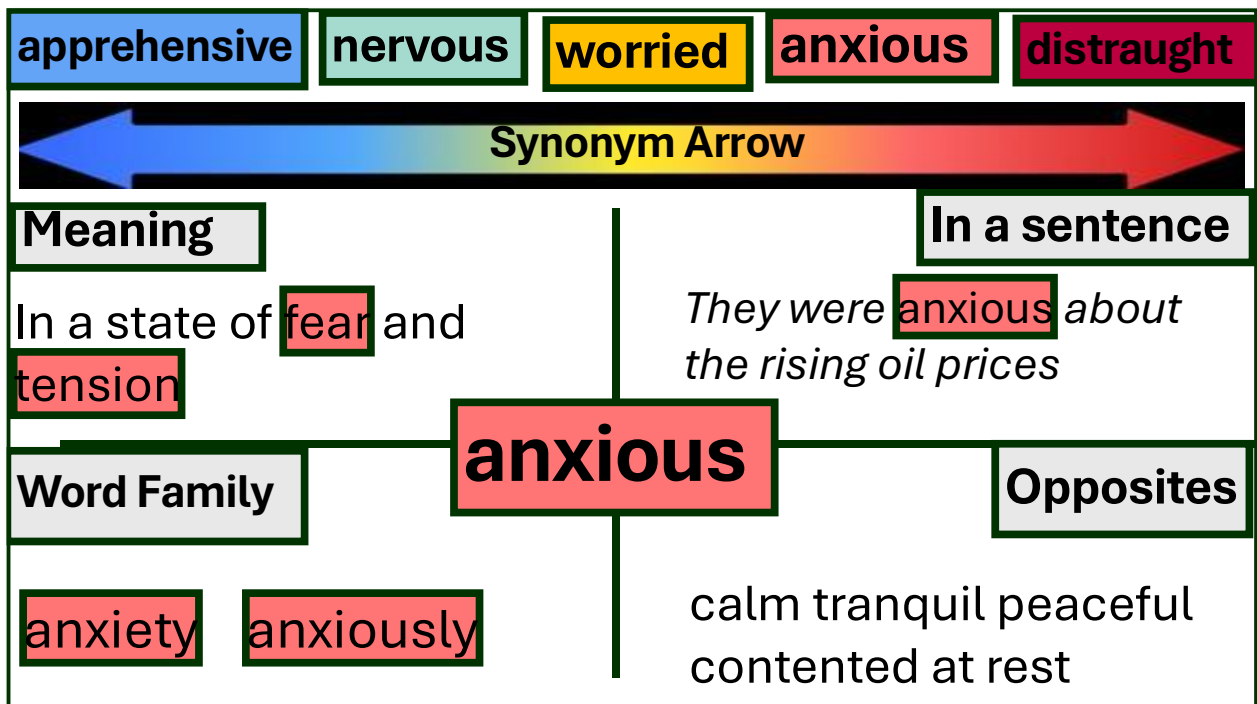

Congratulations to Bobby (7KK) for demonstrating his excellent football skills at the weekend - he went on to win the cup final for his team!

Well done to Luca (9BP) for competing in the British Open Brazilian Jiu jitsu tournament in Coventry at the weekend, and receiving a silver award. Incredible achievement!

Educational Partnership Visit to Poland

This two-day educational visit to Poland provided a valuable opportunity to build a partnership with a local school in Świdnik, gain insight into the Polish education system, and strengthen international understanding and collaboration. We followed an exceptionally busy programme, which included meeting with the Mayor to learn more about local council operations, touring the AVIA Świdnik multi-sports club, and broadening our historical understanding through a visit to Majdanek concentration camp. We also visited a school in Lublin and took part in sessions with university scholars exploring the history of the city. Throughout the visit, meaningful cultural exchange enabled students and staff to share perspectives and traditions, and the warmth and enthusiasm of our welcome was truly humbling. The partnership is set to continue, with Polish students and teachers planning to visit our school in October.

Mrs John – Headteacher

Mr Modi – Assistant Headteacher

During our visit, we felt warmly welcomed from the moment we landed. I was especially impressed by how articulate the children were at the schools we visited, and I enjoyed having them show us around. The food was excellent, and we felt genuinely well looked after throughout our stay.

James Robinson – year 12 student

Visiting Poland was an exceptionally rewarding experience, not only for us as students but also, I believe, for the people we met along the way. Every place we visited, from the secondary school to the chapel, offered something interesting and unique. Each stop on the trip felt meaningful, but my favourite moment was our visit to the primary school. The students and teachers welcomed us with such warmth and enthusiasm that it immediately put us at ease, and I thoroughly enjoyed our stop there.

Paige Wadley – year 12 student

Our visit to Poland was incredible! It gave us an eye-opening insight into the culture and the differences in school life there. Everyone we met treated us with kindness, and we were spoiled with delicious Polish treats and food. One of the highlights for me was touring the facilities at the AVIA Świdnik multi-sports club and having the chance to step out onto the pitch.

Zac Lewis – year 12 student

We stayed in Lublin, which is a beautiful town and the experience of learning more about the cultures, especially as another Eastern European, was very moving. Everyone at the schools treated us like family, and of course, the food was delicious!

Anna Brasovanu – year 12 student
